

SUBJECT 4 — DOCKET 2026-2 — APPROVED AS DOCKETED — Concluded

Item 172 (concluded)

Where the provisions of other tariffs apply, and those provisions specify a limitation of the carrier's liability absent a release or value declaration by the shipper, the carrier's liability shall be limited to the extent provided by such applicable provisions when the shipper does not make the requisite or specified release or value declaration.

**Comment:** All items subject to the China Group are canceled with reference to item 47500, which provides the FCDC's 13-subprovision density scale. New Note, item 47502 is established attendant to the new item to provide additional packaging requirements. Additionally, the China Group generic heading and Note, item 47501, are canceled with no further application. Concurrently, the indentation of item 47500 is amended accordingly. Furthermore, Item (Rule) 172 is amended to remove reference to item 47500.

⇒Cancel; no further application.

## SUBJECT 5 — DOCKET 2026-2 — APPROVED AS DOCKETED — Concluded

| Item | Description | Class |
|------|-------------|-------|
|------|-------------|-------|

## Item 172

**LIMITATION OF CARRIER LIABILITY WHERE VALUE IS NOT DECLARED BY SHIPPER**

Where item 47500, ~~88160~~, 100240, 164900 or 168960 of this Classification applies, and shipper fails to declare a value as required by those provisions, the shipment will not be accepted, but if the shipment is inadvertently accepted, the carrier's liability shall be limited as follows:

| ITEM NO.         | DESCRIPTION                                                                                                                                               | VALUE LIMITATION             |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|
| 47500            | <b>Ceramicware, China, Earthenware, Porcelain or Stoneware</b> , NOI                                                                                      | \$1.70 per pound             |
| <del>88160</del> | <del><b>Glassware</b></del> , NOI                                                                                                                         | <del>\$19.00 per pound</del> |
| 100240           | <b>Household Goods, Personal Effects or Military Baggage</b> , other than shipments moving under the U.S. Department of Defense Personal Property Program | \$0.10 per pound             |
| 164900           | <b>Radioactive Materials</b>                                                                                                                              | \$25.00 per pound            |
| 168960           | <b>Records, Documents or Files</b> , office                                                                                                               | \$0.25 per pound             |

Where the provisions of other tariffs apply, and those provisions specify a limitation of the carrier's liability absent a release or value declaration by the shipper, the carrier's liability shall be limited to the extent provided by such applicable provisions when the shipper does not make the requisite or specified release or value declaration.

**Comment:** Various items subject to the Glassware Group are canceled with reference to item 88160, which is amended to name "Glassware," with a "viz." format, and provides the FCDC's 13-subprovision density scale. Items 87570 and 87760 are canceled with reference to item 56290, and item 88080 is canceled with reference to item 57810; both items provide the FCDC's 13-subprovision density scale. Item 87650 is canceled as obsolete.

Concurrently, the Glassware Group, and fourteen notes within the group, are canceled with no further application. New Note, item 88162 is established attendant to item 88160 to provide additional packaging requirements, and Note, item 78713 is canceled and reestablished attendant to item 88160 as Note, item 88163. The indentation of item 88160 is also amended accordingly.

Furthermore, Package 213 is canceled with no further application and Item (Rule) 172 is amended to remove reference to item 88160.
