

SUBJECT 6 — DOCKET 2026-2 — APPROVED AS DOCKETED — Concluded

Comment: Various items subject to the Building Woodwork Group are canceled with reference to new item 37620, naming "Building Woodwork," which provides a "viz." format, and the FCDC's 13-subprovision density scale. Items 37990, 38200, and 38210 are canceled with reference to items 35255, 37620 and 33610, respectively.

Additionally, Notes, items 37502, 37504, 37506 and 37592 are canceled with no further application. Note, item 37592 is canceled with reference to new Note, item 37624, Note, item 37662 is canceled with reference to new Note, item 37622, and Note, item 38211 is canceled with reference to new Note, item 37623. Note, item 37621 is established attendant to the new item to provide additional packaging requirements.
