**Comment:** Various items subject to the Zinc or Zinc Alloys Group are canceled with reference to item 135955 naming “Metal or Metal Alloys,” which provides a “viz.” format, and classes predicated on the FCDC’s 13-subprovision density scale. Item 201050 is canceled with reference to multiple applicable items found elsewhere within the Classification, and Note, item 201051 is canceled with no further application. Additionally, item 200480, the Zinc or Zinc Alloys Group generic heading, is canceled with no further application.
