

SUBJECT 23 — DOCKET 2026-2 — APPROVED AS DOCKETED — Concluded

Comment: Various items subject to the Vehicle Parts generic heading are canceled with reference to item 193100, which provides a "viz." format, and classes based on the FCDC's 13-subprovision density scale. Additionally, Note, item 191161 is canceled and reestablished as attendant Note, item 193103 to item 193100. Seven Notes are canceled with no further application. Two new Notes, items 193101 and 193102 attendant to item 193100 are established to provide additional packaging requirements.

Furthermore, the generic heading, item 190500, is amended to read "Vehicle Parts Group."
